Summary

KUET computer science and engineering graduate with hands-on academic project experience in full-stack web development, Android applications, networking simulations, AI-based games, and computer vision. Built projects using Laravel, Java, Firebase, C++, Python, OMNeT++ with strong foundation in data structures, algorithms, OOP, databases, operating systems, and computer networks.

Education

Khulna University of Engineering & Technology (KUET) <i>B.Sc. in Computer Science and Engineering</i>	2022 – 2026 CGPA: 3.71 out of 4.00
Notre Dame College, Dhaka <i>Higher Secondary Certificate (HSC)</i>	2018 – 2020 GPA: 5.00 out of 5.00

Technical Skills

Programming Languages	C, C++ (EXPERT), JavaScript, Java, Python, PHP
Frontend	HTML, CSS, Bootstrap
Backend	Laravel, REST APIs, JWT Authentication
Database	MySQL, Firebase
Tools	Git, GitHub, Postman, Android Studio, VS Code, OMNeT++, Spyder
Libraries	OpenCV, NumPy

Selected Academic Projects

TechTrove – E-commerce Platform <i>Laravel, MySQL, JavaScript, Bootstrap</i> Full-stack e-commerce platform featuring product search, cart, wishlist, review, and order management. Implemented JWT-based authentication, OTP verification, and an admin dashboard for inventory tracking.	Link
EchoNest – Secure Messaging Platform <i>Java, Firebase</i> Android-based messaging platform with end-to-end encryption featuring AES-256 and RSA-2048. Integrated Firebase for real-time text, image & video sharing, and authentication with secure key management.	Link
Router Flooding & Learning Simulation <i>C++, OMNeT++</i> Simulated an intelligent routing system using flooding and learning switch mechanisms. Implemented DNS caching and dynamic path learning to optimize network performance.	Link
SquidStrike – Strategy Game with AI <i>Python, Flask</i> Developed a turn-based tactical game implemented with AI opponents using Minimax with Alpha-Beta pruning.	Link

Achievements

Government Technical Scholarship <i>Awarded four times for academic excellence in KUET</i>	2023, 2024, 2025, 2026
--	------------------------

Leadership & Activities

Organizing Secretary <i>KUET Cyber Security Club (KCSC)</i>	Jan 2026 – May 2026
Library Committee Member <i>Fazlul Haque Hall, KUET</i>	Nov 2025 – Jun 2026
